Nancy,

The information you requested at yesterday's NMP briefing is attached. The PDF files are from RAD were sent in the note below earlier today and there is still one that is very large and may be coming shortly, see yellow below, Iris confirmed that she has sent the message but I've not yet received. If we don't receive that file soon we will need to find another way to convey to you.

CCD provided the summary word file attached here and the link to the NMP risk assessment:

Subject: RE: NMP Risk Evaluation (files part 1)

Attached are the files that were requested yesterday at the briefing related to the studies and PBPK supplementary information informing the 2015 risk assessment.

Joel will have to send the remaining files related to the risk management activities.

I will send you another email (files part 2) submitting Dupont (1990). It is a large file that I can't attach to this email. Let me know if you need additional files.
